**281 EAST HOMEOWNERS ASSOCIATION
RESTATEMENT PARKING AND TOWING POLICY**

This Restatement Parking and Towing Policy ("Parking Policy") of **281 East Homeowners Association**, also known as Mountain Lodge Homeowners Association (the "Association") setting forth certain policy of the Association in connection with the management of the Association and the property known as Mountain Lodge Subdivision ("Mountain Lodge") as identified in the Master Declaration of Covenants, Conditions and Restrictions for 281 East Land, San Antonio, Texas, recorded in Volume 8202, Page 524; together with all amendments, annexations and supplements thereto (collectively, "Declaration"), the Bylaws of the Association and all policies, guidelines, rules and regulations duly adopted by the Association from time to time (collectively, "Governing Documents").

The adoption of this Parking Policy for the purposes stated herein is in compliance with the Texas Property Code Section 202.006 requiring all property owners' associations to file all Governing Documents in the real property records of each county in which the Property to which the Governing Documents relate is located. This Parking Policy shall become effective as of the date this Parking Policy is filed in the Official Public Records of Bexar County, Texas.

This Parking Policy shall govern and regulate the parking and towing of vehicles for violations hereof and supersedes that Resolution Regarding Parking and Towing of Vehicles dated July 30, 2010, recorded in Volume 14601, Page 26 of the Official Public Records of Bexar County, Texas; that Traffic Fining and Rules Policy adopted May 21, 2012, recorded in Volume 15549, Page 1122 of the Official Public Records of Bexar County, Texas; and that Towing Policy adopted March 13, 2014, recorded in Volume 16590, Page 218 of the Official Public Records of Bexar County, Texas. This Parking Policy is in addition to the covenants, conditions and restrictions contained in the Declaration.

The Parking Policy is as follows.

1. Parking Policy. Each property owner, resident, visitor, invitee, guest and any and all other parties entering in Mountain Lodge shall be subject to the following rules and regulations:

A. Owners' and Residents' Responsibilities. Owners, residents and tenants which own a Lot in and/or reside in a residence in Mountain Lodge shall park their automobile, ¾ ton or less pick-up truck, motor scooter or motorcycle (collectively "Vehicle") in the residence's garage or driveway and are prohibited from parking on the streets of Mountain Lodge except as hereinafter stated. An Owner, resident or tenant may submit a written request to the Association through its Managing Agent for a parking pass to permit street parking as limited from time to time by the Board of Directors. The Board of Directors has presently set a policy of allowing parking pass for a maximum of fourteen (14) days based on the circumstances present at the time of issuance. "Managing Agent" shall mean Diamond Association Management or any successor management company appointed by the Board of Directors. Upon receipt of a request, the Board of Directors, in its sole discretion, shall consider the specific

circumstances pertaining to the request and if approved, the Board of Directors or its Managing Agent shall issue a parking pass, not to exceed fourteen (14) days, to allow parking on the street. The Board of Directors may approve the parking pass with additional limitations, e.g. number of vehicles, permitted times, number of hours and days permitted. When a Vehicle is temporarily parked on a street, it should be parked facing in the direction of traffic flow for the side of the street the Vehicle is parked and within twelve inches (12") of the curb. **Overnight parking in the streets is strictly prohibited without a parking pass.** All Vehicles shall be parked on a concrete parking pad or driveway. The parking of any Vehicle on grass, mulch, gravel, or other natural surfaces is strictly prohibited. The imposed requirement for Vehicle parking to be on a concrete pad or driveway may not be waived or granted a Variance by the New Construction or the Modification Committee without approval of the Board of Directors. Vehicles shall be parked facing forward or backward in the direction of the concrete pad or driveway. Vehicles are prohibited from parking sideways on the concrete pad or driveway. An Owner, resident or tenant may also submit a written request to the Board of Directors for a parking pass for a visitor, invitee, guest or other party to permit them to park on the street for a period longer than that permitted by 1. B. herein. The Board of Directors may delegate the authority to its Managing Agent to issue the parking passes.

B. Visitor Parking. Visitors, invitees, guests and all other parties shall be permitted to park on the private streets while visiting an Owner, resident or tenant's residence, subject to the restrictions herein. The permitted street parking without a parking pass shall be limited to the four (4) hours per day between 7:00 a.m. and 11:00 p.m. For special circumstances, the Owner of a residence, resident or tenant may request from the Board of Directors or Managing Agent an exception to this Parking Policy and the Board of Directors or Managing Agent, in its sole discretion, may grant an extension of time. Notwithstanding the foregoing, service and delivery vehicles, including trailers, may be parked in the private streets during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a resident or Common Area as defined in the Governing Documents. Vehicles parked on the street, shall be parked facing the direction of traffic flow for the side of the street the Vehicle is parked and within twelve inches (12") of the curb.

C. Other Vehicles. Except as permitted herein, no trailer, camper, motor home, mobile home, tent, boat, recreational vehicle, travel trailer, tractor, grader, wagon, personal watercraft, wave runner, jet ski or other watercraft, bus, equipment, machinery, garden maintenance equipment, construction equipment, pick-up camper, wrecked, junked or wholly inoperable vehicle (collectively identified as "Other Vehicles") shall be kept, parked, stored, or maintained on any portion of the front yard, in front of the building line of the permanent structure, nor shall be kept, parked, stored or maintained on any other portions of a Lot unless it is in an approved enclosed structure or in an approved screened area which prevents the view thereof from adjacent lots and streets. Other Vehicles shall not be parked in or on any of Mountain Lodge private streets or property at any time without the express written consent of the Board of Directors or its Managing Agent. Notwithstanding the preceding, a trailer, motor home, boat, recreational vehicle, travel trailer, camper, personal watercraft, wave runner, jet ski or

pick-up camper may be temporarily parked on a private street directly in front of the Owner, resident or tenant's residence for not more than four (4) hours for four (4) or more days in a seven (7) consecutive day period without a parking passed issued by the Managing Agent. No dismantling or assembling of a Vehicle or Other Vehicle shall be permitted in any street, driveway or yard adjacent to or visible from a street. Notwithstanding the foregoing, service and delivery vehicles, including trailers, may be parked in the private streets during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a resident or Common Area as defined in the Governing Documents.

D. Recreational Area. No parking of any Vehicle is allowed in Mountain Lodge's Recreational Areas parking lot commencing as of 10:00 o'clock p.m. through 6:00 o'clock a.m. without the express written consent from the Board of Directors or its Managing Agent. Other Vehicles, as defined herein, are prohibited at all times without the express written consent of the Board of Directors or its Managing Agent. The Board of Directors or its Managing Agent shall cause the posting of signs in the neighborhood advising of this Parking Policy as required by the Texas Towing and Booting Act, Chapter 2308 of the Texas Occupations Code, as amended (the "Act"), which shall advise all parties of the fact that Vehicles parked in violation of this prohibition may be towed at the Owner's expense.

2. Violation of Policy and Penalties. Violation of any of the policies herein adopted shall result in:

A. The issuance of notice of violations and/or parking citations and the assessment of fines as permitted by the Governing Documents or towing as applicable. Any assessed fines must be paid in accordance with the Fine Policy. Failure to do so may result in the privileges of the use of common facilities being suspended. Repeated violations of this Parking Policy, as determined by the Board of Directors or its Managing Agent, in its sole discretion, shall result in the towing of the Vehicle or Other Vehicle and such remedy shall be in addition to and not an election of other rights, remedies, fines, penalties and other remedies available to the Association for such violation.

B. In addition to rights, powers and remedies granted by law, in the event of default on the part of the Owner, resident or tenant on any Lot in observing the requirements contained in this Parking Policy, and the continuation of the default after the notice required by the Texas Property Code Section 209.006 has been sent by the Association to the Owner, resident or tenant, as applicable, upon approval by the Board of Directors, the Association may enter upon the Lot on which the parking violation exists through its agents, without liability to the Owner, resident or tenant in trespass or otherwise, and cause the parking violation to be cured by towing the Vehicle or Other Vehicle, as defined herein. The Owner of the Lot shall reimburse the Association for any expenses incurred, including reasonable attorney's fees, to cure the default.

3. Violation by Non-Owner. Any visitor, invitee, or guest of Owner, resident or tenant shall be treated as a violation of the Owner of the property. All monetary penalties, if any, shall be assessed against the identifiable property Owner of the property as the responsible party for the Owner's visitor, invitee or guest's violation.

4. Compliance With Applicable Statute. Notwithstanding any provision contained herein, the imposition of any penalty affecting the rights or privileges of an Owner, resident or

tenant or the assessment of a fine or suspension of privileges shall be in strict compliance with the Texas Property Code Section 209.006, as amended. All violators that are issued a parking citation assessing a fine shall be provided the statutory notice advising of an opportunity to cure the violation and avoid the fine assessed unless the violator has received a notice of a similar violation within the previous six (6) months.

The towing of a Vehicle or Other Vehicle shall be in strict compliance with the Act. Any towing requested by the Association shall be by contract with a licensed towing company as regulated by the Act. The Board of Directors or its Managing Agent shall cause the posting of signs in the neighborhood advising of this Parking Policy as required by the Texas Towing and Booting Act, Chapter 2308 of the Texas Occupations Code, as amended which shall advise all parties of the fact that vehicles parked in violation of the Governing Documents or this Parking Policy may be towed at the Owner's expense.

5. Notice Policy. It shall be the general policy, when reasonable as determined in the sole discretion of the Board of Directors, for the Board of Directors or its Managing Agent, to provide notice to violators of violations of this Parking Policy. The Board of Directors shall have the discretionary authority to adopt notice policies from time to time for notification of Vehicles violating this Parking Policy. Notwithstanding this general policy, if the Board of Directors determines in its sole discretion that a violation is of such a degree and nature that it may (i) interfere with the flow of traffic; (ii) hinder or interfere with an emergency operation by an emergency department or entity; (iii) interfere with use of sidewalk; (iv) interfere with use of handicap parking; (v) create a harmful or dangerous condition; or (vi) be considered as a habitual violator, the Board of Directors will proceed with legal remedies of towing without personal notice other than as required by the Act.

6. Procedure. The Board of Directors from time to time may establish and/or alter the procedures to be followed for monitoring violation of this Parking Policy. Subject to the Board of Directors altering the procedure without notice, the procedure for monitoring and enforcement of this Parking Policy shall be:

- (2) Association's Management Company shall maintain a written log of all reported violations;

If the offense is a second offense or more, the Association has no obligation to provide a courtesy notice;

- (6) If the violator continues to violate this Parking Policy within a six (6) successive month period, at the discretion of the Board of Directors, the violator will not receive further notice prior to the vehicle being towed.

7. Waiver. The failure of the Association to levy a fine or act to cause the towing of any Vehicle or Other Vehicle which is in violation of this Parking Policy shall not be considered a waiver for the purposes of future enforcement hereof.
