No member of the New Construction Committee shall be liable to any Owner for any claims, cause of action, or damages arising out of the grant of, or the refusal to grant, any variance to an Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests and the granting of a variance to any Owner shall not constitute a waiver of the New Construction Committee's right to strictly enforce this Supplemental Declaration against any other Owner.

Approval of plans and specifications by the New Construction Committee or any Modifications Committee is not approval thereof for engineering or structural design or adequacy of materials. By approving such plans and specifications neither the New Construction Committee, any Modifications Committee, the members of either, the Declarant, the Association, any Neighborhood Association, nor the Board of Directors assumes liability or responsibility for

safety or adequacy of design, nor for any defect to any structure constructed from such plans and specifications.

The failure by Declarant, Developer or the Association to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. If an Owner of a Lot in the Neighborhood believes that this Supplemental Declaration has been violated, such Owner (the "Notifying Owner") may deliver written notice thereof to the Board of Directors identifying the violation and the Person violating this Supplemental Declaration and requesting the enforcement thereof. If, within ninety (90) days after receiving such notice and request, the Board of Directors fails or refuses to commence to enforce this Supplemental Declaration against the Person identified in such written notice as violating them, the Notifying Owner, at the
