The failure by Developer, Declarant or the Association to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. If an Owner of a Lot in the Neighborhood believes that this Supplemental Declaration has been violated, such Owner (the "Notifying Owner") may deliver written notice thereof to the Board of Directors identifying the violation and the Person violating this Supplemental Declaration and requesting the enforcement thereof. If, within ninety (90) days after receiving such notice and request, the Board of Directors fails or refuses to commence to enforce this Supplemental Declaration against the Person identified in such written notice as violating them, the Notifying Owner shall have a private right to enforce this Supplemental Declaration against the Person identified as the violator thereof in the written notice to the Board of Directors.
