In any such case, variances shall be in basic conformity with and shall blend effectively with the overall quality, general architectural style and design of the community. No member of the New Construction Committee shall be liable to any Owner for any claims, cause of action, or damages arising out of the grant of, or the refusal to grant, any variance to an Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests and the granting of a variance to any Owner shall not constitute a waiver of the New Construction Committee's right to strictly enforce this Supplemental Declaration against any other Owner.

4.3 No Liability. Neither Declarant, the Association, the New Construction Committee, any Modifications Committee, any Neighborhood Association, the Board of Directors, nor the officers, directors, members, employees or agents of any of them, shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications.

By approving such plans and specifications neither the New Construction Committee, any Modifications Committee, the members of either, the Declarant, the Developer, the Association, any Neighborhood Association, nor the Board of Directors assumes liability or responsibility for safety or adequacy of design, nor for any defect to any structure constructed from such plans and specifications.

This Supplemental Declaration may be enforced by Developer, Declarant and the Association against any Person or Persons violating or attempting to violate them, by any proceeding at law or in equity, including, without limitation, through actions to enjoin violations, to recover damages, or to enforce any lien created by these covenants. The failure by Developer, Declarant or the Association to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. If an Owner of a Lot in the Neighborhood believes that this Supplemental Declaration has been violated, such Owner (the "Notifying Owner") may deliver written notice thereof to the Board of Directors identifying the violation and the Person violating this Supplemental Declaration and requesting the enforcement thereof. If, within ninety (90) days after receiving such notice and request, the Board of Directors fails or refuses to commence to enforce this Supplemental Declaration against the Person identified in such written notice as violating them, the Notifying Owner shall have a private right to enforce this Supplemental Declaration against the Person identified as the violator thereof in the written notice to the Board of Directors.
